SMU Data Arts Survey

Thank you to those of you who have already completed the SMU DataArts Survey. The results of this survey will provide us with valuable data about the diversity of our workforce, allowing us to better serve our community. If you have already participated in the survey, Thank you, you may disregard the rest of this message. If you haven't yet participated, you may do so by [clicking here](#).

This survey will only take five minutes to complete and will remain open through Friday, October 4.

Thank you for helping us establish a baseline measurement for the demographics of the Anton Art Center.
